A. Discussion and consideration to approve a Professional Services Agreement for engineering services with Briones Consulting and Engineering, Ltd. for design of the Water Treatment Plant expansion and associated projects for a project(s) pursuant to Local Government Code 252.022(a)(2). Possible action. (Commission authorized negotiations toward this contract September 8, 2011.) Attachment.

The City Manager stated this is arguably the most important project of the City and stated this Construction-Manager-at-Risk process will allow the City to get back on schedule toward completion. Ms. Mari Garza-Bird, with CDM, explained that

similar to the public facility building and north Waste Water Treatment Plant construction projects, much of the funding through sub-contractors remains local.

Commissioner Rivera, seconded by Commissioner Tafolla, moved to approve a Professional Services Agreement for engineering services as negotiated by the City Manager with Briones Consulting and Engineering, Ltd. for design of the Water Treatment Plant expansion and associated projects for a project(s) pursuant to Local Government Code 252.022(a)(2). The motion carried unanimously; Mayor Pro-Tem Cuellar was present, but not voting.

- B. Discussion and consideration to approve a Professional Services Agreement for pre-construction services with CDM Constructors, Inc. (CCI) for the Water Treatment Plant expansion and associated projects for a project(s) pursuant to Local Government Code 252.022(a)(2). Possible action. (Commission authorized negotiations toward this contract September 8, 2011.) Attachment.

The City Manager stated this contract is for pre-construction exclusively, not construction; he added that since CDM already completed as much as 10% of pre-construction through its contract on the design phase, contracting with the same company should provide greater efficiencies.

Commissioner Tafolla, seconded by Commissioner Martinez, moved to approve a Professional Services Agreement for pre-construction services as negotiated by the City Manager with CDM Constructors, Inc. (CCI) for the Water Treatment Plant expansion and associated projects for a project(s) pursuant to Local Government Code 252.022(a)(2). Possible action. The motion carried unanimously; Mayor Pro-Tem Cuellar was present, but not voting.
